Don:

You should talk with Bob Werner. He can give you a list of potential individuals that the TCEQ has identified a possible Potentially Responsible Parties. This is the best that we would be able to do at this time.

Thanks

Bill,

Please see the attached email with the process for COI and getting a contractor on board. Donn will need the information attached (as explained in the email) before he can begin COI whether

it's with Hill or Toereck.

Donn will be back from vacation on Monday.

Thank you,

Donn,

I will be making a trip to Houston and having a community meeting for CES. What contractor do you want me to use? I will need a fact sheet or meeting invitation, mailing list etc. This is something that needs to happen quickly so please move quickly on this.. The meeting could be Nov. 18 or 20.

Thanks,

Bill
